Dear Judy,

I know that I have traditionally asked you to gather information for me and continue to do so; even though you no longer at the prior project. And, I apologize. But, it is just impossible to find someone who can get the info I need or is willing to get it... So, here I am asking for your help again.

Could you check your area for a repair shop for Seiko/Lassalle watches. I have a SEIKO/LASSALLE WATCH FROM THERE. BLACK & WHITE COLLECTION. IT'S A LADIES WATCH. I WAS WEARING IT ONE DAY, IN ADDITION TO HANDCUFFS. AND THE HANDCUFFS NOT THE GLASS FACE OFF AND WHEN THAT CAME OFF THE HANDS ALSO FEEL OFF.

I'VE BEEN TRYING TO FIND SOME PLACE TO GET IT FIX EVER SINCE. OR ATLEAST SEE IF IT'S WORTH BEING FIX. IT'S AN THOUSAND DOLLAR WATCH!! IF YOU COULD CHECK YOUR LOCAL WATCH REPAIR, OR SEND ME THE SEIKO WATCH REPAIR STORES FROM OVER

THE SAN FRANCISCO YELLOW PAGES, IT WOULD REALLY HELP. AND, AS ALWAYS I DO APPRECIATE YOUR HELP, OF COURSE.

ALSO, DO YOU HAVE A COPY OF A COMIC ABOUT AIDS BY THE SAN FRANCISCO AIDS FOUNDATION? I THINK IT'S SOME TYPE OF BOOKLET. I WOULD LIKE TO INCLUDE IT IN OUR HIV/AIDS PRISONER SUPPORT PACKETS.

I HOPE TO SEND YOU A COPY OF THE LATEST ISSUE OF ODYSSEY SOON. AND, I'LL ALSO BE SENDING THE NOV. ISSUE OF THE NEWSLINE SOON AS I GET IT. I AM SURPRISED I HAVEN'T GOTTEN IT ALREADY. I WONDER IF THEY PRINTED THIS MONTH. I KNOW THAT BREE, THE EDITOR IS OUT ON MEDICAL LEAVE.

WILL WRITE AGAIN SOON.

love AND SISTERHOOD,
