Dear Judy,

This is just a brief note. I am trying to get people to write letters to the Regional Director asking that the anti-gay assault upon me by Lt. Creswell be investigated and criminal charges brought against him. On May 4, 1993 while I was handcuffed Lt. Creswell pushed, kicked, shoved and nearly knocked me down the stairs while calling me faggots, queers and AIDS carrier. I know it is appalling and crazy. But, I have come to expect nothing less from these hideous people. (Regional Director's name enclosed).

On a brighter note, I received all the materials you sent me and was happy to hear from you as usual. I will write to Karen Mould...

The only thing is that I am doubtful
of the thoroughness of her work; and
therefore is skeptical about the inclusion
of my name in anything that is not
done to the best of the author's ability.
But, I guess if your name is there
mine should be there too!! ^{oo} Soon
as I am through this crisis, I will
make arrangements for all the ACT/UP
letters that have been returned.
Another problem.

Well, I am try to finish
an article for the Newswire, so
I am going to go. But, love
remains.

Love + sisterhood,
Dell
