Dear Mr. Tada,

This letter pertains to case number C-97-2203-MMC, Schneider v. City and County of San Francisco. Ms. Schneider has been an acquaintance of mine for several years. I know her to be a sincere and compassionate woman who seeks justice for those she feels have been unfairly treated. Unfortunately, she presently finds herself in that position. I don't believe there was any justification for the humiliating treatment she received while in police custody, and I urge you to settle her case as quickly as possible.

Cordially,

cc. Victoria Schneider
