

Memorandum

Date : July 9, 1996

To : BOB HOREL
Chief Deputy Warden OPP

From : California Medical Facility, Vacaville 95696-2000

Subject : PSYCHIATRIC SOCIAL WORKER SCOTT COZZA

It has come to my attention that Mr. Cozza has been educating Unit IV inmates/patients and meeting with them. Mr. Cozza has initiated this without any discussion with the Unit IV Clinicians. I have previously given explicit instructions to Mr. Cozza that he is not to provide services to any Unit IV patients. It has been my understanding that you have also given him such direction. I am greatly disturbed by Mr. Cozza's ongoing blatant insubordination. It is my hope that you will provide direction to him to cease his involvement with Unit IV patients.

Thank you for your attention to this matter.
