Dear Ms. South:

I thank you for your letter requesting my assistance.

Although this issue falls under the jurisdiction of the California state government, rather than the Federal government, I have forwarded your letter on to the Department of Corrections in hopes I can be as helpful as possible to you.

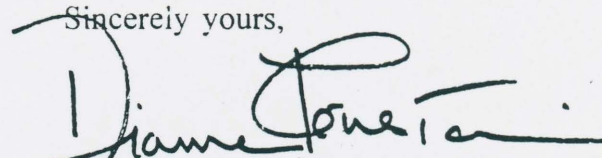

I have asked the agency to respond directly to you with a copy to me to assure that you get full attention to your concerns.

If you fail to get a response within a reasonable period of time (responses which require investigation sometimes take two to three months), or if you feel that the agency's response is inadequate, please feel free to contact my office again and I will follow-up with the Department of Corrections.

I appreciate your coming to me for help. If there is any way in the future I can also assist you on problems with the federal government, I hope you will not hesitate to contact me.

With warmest personal regards.

Sincerely yours,

Dianne Feinstein  
United States Senator
