TRANSBAY GATHERING

WHO GOES TO THESE THINGS?

Everyone! This is an all-inclusive TG event. We welcome FtMs, MtFs, TVs, Intersexed, Bi-Gendered, Androgyne, CDs, Drag Queens, Drag Kings, Gender Trippers, ?Questioning?, spouses, friends, SOs,

friends of friends, and any number of other acronyms to attend — all respectful folks are welcome! Gender is optional, of course.

WHAT GOES ON AT THE GATHERINGS ANYWAY?

Basically, it is a casual environment where people can let down their hair, so to speak, and just have a good time. There is no group hierarchy — just people sipping cappuccinos and talking about everything from physics to dancing to entomology. It is a great way to meet new friends and learn about all the people out there. We are such a diverse group, TGs, that we all rarely get together in such a setting. This provides us all with the opportunity to move beyond the subgroups we fall into and thus get a bigger and better perspective of who we all are.

WHEN ARE THESE THINGS?

The second Wednesday of every month (check your calendar — that may be tonight!) from 7pm to 9pm.

WHERE ARE THE TRANSBAY GATHERINGS HELD?

At "Quetzal," a coffee house at 1234 Polk Street in San Francisco ('tween Sutter & Bush streets).

ANYTHING ELSE I SHOULD KNOW ABOUT THEM?

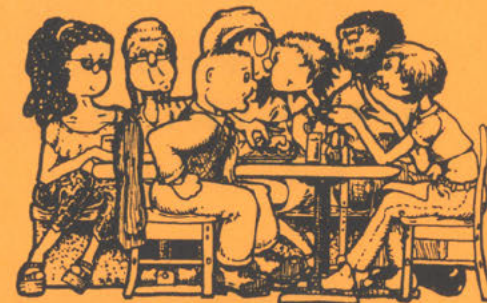

First off, TransBay is not a "support group," it's a gathering: a place for all of us to meet without a "traditional" structure. Think of it as the gathering for coffee after the meeting, but without the meeting. Less calories that way.

A TransBay gathering is also not "pick up joint." We don't want folks to worry about individuals looking for a "hot time." There will be fun, and probably a touch of flirting here and there — but if your looking to meet your next lover, try somewhere else, please.

Thankfully, we don't usually "group hug."

And one other rule: Please respect the privacy of those who attend this event. Not everyone who attends may be totally out, and therefore probably would not appreciate being inadvertently outed. We do hold these events in a public place — but please, no cameras should be used. Thanks.

WHAT'S TRANSBAY.ORG?

TransBay.org is our web-based SF Bay Area resource guide and social calendar with interactive bulletin boards. If you have a computer with internet access, and a web browser, simply type in our address, www.transbay.org, to view the site.

The main goal of TransBay is to help build the TG community locally. It's founders are from various backgrounds and are transgendered.

We are proud of our diversity and want to foster more interaction between the various subgroups that fall under the TG blanket. The future is ours to take.

**MEET PEOPLE,
MAKE FRIENDS,
EAT CAKE!**

We aim to provide a casual, friendly social environment with one goal: to bring as diverse a group of people as we can together so they can all meet, talk, and have a great time outside the confines of the traditional support group structure.
